Listening

Track  
19 + 20

## Aspect: marine pollution

You are going to listen to a news report on a teenage diver who found tons of golf balls in the Pacific Ocean. First you will have 45 seconds to study the task below, then you will hear the recording twice. While listening, match the sentence beginnings (1–7) with the sentence endings (A–J). There are two sentence endings that you should not use. Write your answers in the spaces provided. The first one (0) has been done for you.

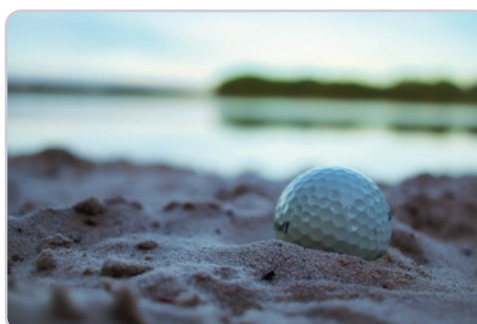

After the second listening, you will have 45 seconds to check your answers.

### Teenage diver finds tons of golf balls rotting off California
