The New Best Shots 1 – HAK/HUM

VocabExtra

[Not to be included in the Students' Books]

Zum Konzept

Das VocabExtra zu The New Best Shots - Fachschule dient der Festigung und Vertiefung der Key Vocabulary-Einheiten im Buch, die das relevante Vokabular der einzelnen Units (1–10) thematisch strukturiert zusammenfassen:

- **Deutsche Übersetzung** zu sämtlichen Vokabeln / Phrases
- Durchgehend mit englischen Beispielsätzen unterstützt
- Lernvokabular zu den verschiedenen Themenbereichen der einzelnen Units
- Gezielte Erweiterung und Festigung des Basiswortschatzes

Das Hauptaugenmerk liegt dabei viel mehr auf der Festigung von notwendigen sprachlichen Strukturen phrases, collocations – als auf der Vermittlung von einzelnen, aus dem Kontext genommenen Wörtern. Während die Vocabulary Reference im Anhang des Buches – mit farbig hinterlegtem Lernvokabular – als reines Nachschlageinstrument zu den Texten und Übungen der einzelnen Units konzipiert ist, macht das VocabExtra, ergänzend zu LanguageBoxes, VocabBoosters und Vokabelarbeit im Buch die Lernenden fit für den aktiven Umgang mit dem englischen Wortschatz.
