

## Unit 9 – The way I live

### Types of houses

block of flats	The block of flats near my house has a lot of amazing apartments at very affordable prices.	Wohnblock
bungalow	My grandparents bought a bungalow by the sea because they didn't want to have to worry about climbing stairs.	Bungalow
condominium (condo)	I bought a great condo in the city centre that offers an amazing view of the city.	Eigentumswohnung
cottage	We went to our cottage on the lake for the weekend.	Landhaus
detached house	I want a detached house so that I can also have a large backyard.	freistehendes Haus
semi-detached house	A semi-detached house is perfect for those who want privacy but also some sense of community.	Doppelhaushälfte
terraced house / row house	The Johnsons live in an amazing terraced house in a quiet neighbourhood, with just enough room for a garden in the backyard.	Reihenhaus
tiny house	I don't need much space, so I think it would be fun to live in a tiny house.	Tiny House, sehr kleines Haus

### Living in a house vs. living in a flat

to have a lot of freedom	In this apartment, you have a lot of freedom to design the rooms as you like.	viel Freiheit haben
to have shared facilities	I don't mind having shared facilities as long as everyone cleans up after themselves.	gemeinsame Einrichtungen haben
to have hardly any privacy	My last apartment had a window facing the street, so I felt like I had hardly any privacy at all.	kaum Privatsphäre haben
to be cost-intensive	Fixing up houses is really cost-intensive, but worth it in the end.	teuer / kostenintensiv sein
to benefit from the community	Living in a village allows you to benefit from the community, because everyone always tries to help each other.	von der Gemeinschaft profitieren
to deal with noisy neighbours	Living in an apartment, I always have to deal with noisy neighbours.	mit lauten Nachbarn/Nachbarinnen umgehen
to require little time for maintenance	Thanks to smart home technology, this apartment requires little time for maintenance.	wenig Zeit für die Wartung/Instandhaltung erfordern
to have limited space	My apartment has limited space, but I don't have a lot of stuff anyway.	begrenzten Platz haben
to have a lot of (storage) space	I need a lot of storage space for all my books.	viel Platz (Stauraum) haben
to be a lot of work	Owning a house is a lot of work.	viel Arbeit sein
to be comfortable	It's a small but comfortable flat that feels like home.	komfortabel sein
to have to follow certain house rules	In this apartment complex, you have to follow certain house rules to make living together pleasant for everyone.	bestimmte Hausregeln befolgen müssen
to need intensive care	Living in the city is more convenient if you need intensive care.	intensive Pflege benötigen

to know your neighbours	In rural areas, it is common to know your neighbours, which can lead to feelings of belonging.	die Nachbarn/Nachbarinnen kennen
to be very expensive	Buying a house can be very expensive.	sehr teuer sein
to be located close to the city centre	My apartment in Prague is located close to the city centre, which means I have to deal with tourists every day.	zentral gelegen sein

### At a real estate showing
