Unit 1 – The loude	er, the better?			
Talking about music				
to be one's favourite genre	Rock is my favourite genre, I've been listening to it since I was a kid.	jemandes Lieblingsgenre sein		
to spend about one hour / two hours listening to	Joshua spends about two hours listening to classical music every day.	jeden Tag ein / zwei Stunden damit verbringen Musik zu hören		
music every day		-		
to listen to music during the breaks at school / while studying / to fall asleep / when using public transport	It takes me a while to get to work, so I like to listen to music when using public transport.	während der Pausen in der Schule / während des Lernens / um einzu- schlafen / bei der Nutzung öffent- licher Verkehrsmittel Musik hören		
to have an average playlist of songs	Most teens have an average playlist of 500 songs.	eine durchschnittliche Playlist von Liedern haben		
to use music streaming services every day	Lucia uses music streaming services every day to help her focus on her homework.	Musikstreamingangebote jeden Tag nutzen		
to listen to music on YouTube / Spotify	Young people like to listen to music on Spotify because it gives good recommendations.	Musik auf <i>YouTube / Spotify</i> hören		
to listen to music on the radio	They listen to music on the radio every morning before school.	Musik im Radio hören		
to buy vinyl records	Jim buys vinyl records because he believes they sound better.	Schallplatten kaufen		
to download music from online stores	The easiest option for most people is to download music from online stores instead of buying CD's.	Musik von Internet-Shops herunterladen		
to access online radio stations	I can only access online radio stations if I have a strong WiFi connection.	auf digitale Radiosender zugreifen		
Going to a concert / music fe	estival			
Reasons / motivation for goi	ng to a concert / music festival			
to have the chance to see one's favourite singer / band	I had the chance to see my favourite singer / band last year, it was an amazing performance.	die Chance haben jemandes Lieblingssänger/-in /-band zu sehen		
to experience a sense of independence	Most teens do not experience a sense of independence until they are allowed to see a concert on their own.	ein Gefühl von Unabhängigkeit erleben		
to create unique experiences	When performing, certain artists create unique experiences that people will remember for a lifetime.	einzigartige Erlebnisse schaffen		
to socialise with friends	I like to go to concerts not only to see my favourite artists but also to socialise with friends.	mit Freunden/Freundinnen zusammenkommen		
to meet others who share the same music taste	Music festivals are a great opportunity to meet others who share the same music taste.	andere treffen, die den gleichen Musikgeschmack haben		
Possible risks / parents' cond	erns when going to a concert / music festiv	al		
to not know what the teenagers do at the festival	Many parents are worried because they do not know what the teenagers do at the festival once they have no supervision.	nicht wissen, was Jugendliche auf dem Festival machen		
to worry about the influence of peer pressure	Teens often worry about the influence of peer pressure and how it could affect them.	sich Sorgen wegen des Einflusses von Gleichaltrigen / Gruppen- zwangs machen		
to have various safety risks (e.g. crowded space, alcohol / substance use, etc.)	Concerts are fun but also have various safety risks that people should be aware of.	verschiedene Sicherheitsrisiken haben (z.B.: überfüllte Plätze, Alkohol / Einnahme von Suchtmitteln, etc.)		

the concert venue / festival	My friends and I always worry that the	der Konzertveranstaltungsort / das
environment might not be	concert venue / festival environment	Festivalgelände könnte nicht
clean enough (bathroom	might not be clean enough, but so far	sauber genug sein (Sanitär-
facilities, etc.)	we've been pleasantly surprised.	einrichtungen, etc.)
personal items (e.g.	Security warned us that personal items	persönliche Gegenstände (z. B.
smartphones, money, etc.)	might be stolen if we do not watch them	Smartphones, Geld, etc.) könnten
might be stolen	carefully.	gestohlen werden
to not fully trust a teen's	It is very common for a parent not to fully	nicht vollständig auf die Fähigkeit
ability to make responsible	trust a teen's ability to make responsible	eines Teenagers vertrauen, verant-
decisions	decisions.	wortungsvolle Entscheidungen zu
		treffen
Talking about hearing loss		
to wear earbuds	It's important to wear earbuds when	Kopfhörer tragen
	listening to music in public so you don't	
	disturb others.	
to cause permanent hearing	Not wearing ear protection at a	einen dauerhaften Hörverlust
loss	construction site can cause permanent	verursachen
	hearing loss.	
inner ear damage never	It's important to protect your hearing	Schäden am Innenohr heilen nie
heals	because inner ear damage never heals.	
to protect one's hearing	It is important to protect one's hearing,	das Gehör schützen
	especially for teens who like to attend live	
	performances.	
noise-induced hearing loss	Noise-induced hearing loss is preventable	lärmbedingter Hörverlust ist
is preventable	if one is cautious.	vermeidbar
to turn down the volume	You need to turn down the volume, I can	die Lautstärke verringern
to turn down the volume	hear your music from all the way over	die Eddistance Verringern
	here.	
Symptoms of hearing loss		
	It is a had sign if you are not able to	night in der Lage sein andere zu
to not be able to	It is a bad sign if you are not able to	nicht in der Lage sein, andere zu
	understand others after listening to loud	nicht in der Lage sein, andere zu verstehen
to not be able to understand others	understand others after listening to loud music.	verstehen
to not be able to	understand others after listening to loud music. If you normally need to turn up the TV /	verstehen den Fernsehapparat / das Radio
to not be able to understand others	understand others after listening to loud music. If you normally need to turn up the TV / radio in order to hear it, you may need to	verstehen
