Unit 11 – Building big

Useful words / phra	ses for describing buildings	constructions, etc.
---------------------	------------------------------	---------------------

Style

Style		
Ancient Roman	The Colosseum is one of the most iconic	altrömisch
	structures from Ancient Roman times.	
Art Deco	The luxury hotel was decorated with Art Deco furnishings and fixtures.	Art déco
Baroque	The ornate details of the Baroque church	barock
	left the visitors in awe.	
Bauhaus	The Bauhaus school of design revolutionised modern architecture and art.	Bauhaus
Early Modern	The Early Modern period saw a surge in	frühneuzeitlich
	scientific and technological advancements.	
Gothic	The soaring spires of the Gothic cathedral reached towards the sky.	gotisch
Islamic	The intricate geometric patterns of Islamic art have fascinated people for centuries.	islamisch
Minimalist	The Minimalist apartment was defined by clean lines and a limited colour palette.	minimalistisch
Neoclassical	The Neoclassical mansion was inspired by the architecture of ancient Greece and Rome.	neoklassizistisch
Neo Futurist	The Neo Futurist skyscraper used cutting- edge technology to create a futuristic design.	neo-futuristisch
Postmodern	The Postmodern art exhibit challenged traditional notions of beauty and taste.	postmodern
Renaissance	The Renaissance style emphasised symmetry and impressive geometric structures.	Renaissance-
Material	· · · ·	·
brick	The exterior of the building was made of brick.	Ziegel
brownstone	The elegant brownstone townhouses lined the street.	rötlich brauner Sandstein
concrete	The modern skyscraper was constructed with a mixture of concrete and glass.	Beton
glass	The elegant garden pavilion had a glass roof.	Glas
iron	The iron fence surrounded the property.	Eisen
marble	The grand entrance was made of gleaming marble.	Marmor
metal	The metal roof provided protection from the elements.	Metall
steel	The steel beams supported the weight of the building.	Stahl
stone	The stone walls of the castle had stood for centuries.	Stein
timber	The timber cabin was nestled in the woods.	Holz
titanium	The titanium spire on the top of the building was the tallest in the city.	Titan
Form		
angular	The angular edges of the geometric figure	eckig

symmetrical	The two sides of the church were perfectly	symmetrisch
symmetrical	symmetrical; even the stained glass was	symmetrisch
	identical on both sides.	
asymmetrical	The asymmetrical design of the building	asymmetrisch
asymmetrical	was modern and unique.	asymmetrisch
curved	The curved roof made the building almost	gewölbt, geschwungen, gebogen
	look like a bubble.	gewondt, gesenwungen, gebogen
flat	The flat surface of the table was perfect	flach
inde	for playing games.	
concave	The concave shape of the spoon made it	konkav
	easier to scoop the food.	
convex	The convex mirror provided a wider view	konvex
	of the road.	
twisted	The wooden columns appeared twisted	verdreht, gedreht
	and made the porch look like a living	
	structure.	
sloping	The sloping roof allowed the snow to slide	schräg
	off easily.	
squat	The squat building was surrounded by tall	gedrungen, untersetzt
	skyscrapers.	
rounded	The rounded edges of the tablet made it	abgerundet
	comfortable to hold.	
lop-sided	The lop-sided hut in the woods looked	schief
	welcoming and cozy, despite its uneven	
	appearance.	
Dimensions		
huge	The museum was huge and seemed to	riesig
	take up around five blocks in the centre of	
	the city.	
tiny	The attic window was so tiny, it was barely	winzig
,	visible even when we were standing	
	directly in front of the building.	
low-rise	The low-rise apartment buildings blended	mit wenigen Geschoßen, niedrig
	in with the surrounding neighbourhood.	
high-rise	The high-rise building offered stunning	vielgeschoßig, Hochhaus-
-	views of the city from its rooftop terrace.	
two-storey	The two-storey house had a spacious	zweigeschoßig
	backyard and plenty of room for a family.	
all on one floor	The ranch style house was built all on one	alles auf einer Etage
	floor, making it convenient for those with	
	mobility issues.	
narrow	The narrow street was bustling with cars,	schmal, eng
	bikes, and pedestrians.	
wide	The wide entryway was elaborately	ausladend, breit, weit
	decorated with mirrors and gold tassels.	
vast	The vast expanse of the desert was a	gewaltig, enorm, sehr groß
	breathtaking sight to behold.	
to be built in (year)	The Neeclassical church / menument was	orbaut / gobaut coin in (labr)
to be built in <i>(year)</i>	The Neoclassical church / monument was built in the late 1760s.	erbaut / gebaut sein in (Jahr)
to be completed in (year)	The Baroque building complex was	fertiggestellt sein im (Jahr)
to be completed in (year)	completed in 1779.	iei uggestent sent int (Junt)
to be designed by (name	The SIS Building designed by Terry Farrell	entworfen sein von Ulama das
to be designed by (name of architect)	is a Postmodern building.	entworfen sein von (Name des Architekten/der Architektin)
to be a perfect example of	The building is a perfect example of Gothic	ein perfektes Beispiel / Musterbei-
Gothic / Postmodern	/ Postmodern architecture.	spiel für gotische / postmoderne
architecture		Architektur sein
architecture	1	A GILERIUI SEIII

	The Code on One and Using is a middle	ata anathta an adamata Datarial
to be a widely-recognised	The Sydney Opera House is a widely-	ein weithin anerkanntes Beispiel
example of contemporary	recognised example of contemporary	für zeitgenössische Architektur
architecture	architecture.	sein
to be located in the financial	The new health centre is located in the	im Finanzdistrikt / in einem
district / in a residential	financial district / in the residential area of	Wohngebiet / in (Name der
area / at (name of street)	the city / at Bond Street.	Straße) liegen
to be surrounded by	The construction is surrounded by family	umgeben sein von
T : : : : : : : : : : : : : : : : :	villas and a huge park.	
Talking about EXPO pavilion	5	
to have a particular	Architects from different parts of the world	eine besondere Herangehensweise
approach to designing	have a particular approach to designing	an die Gestaltung von Gebäuden
buildings	buildings that reflects their cultural heritage.	haben
to catch people's eyes	Flashing lights and lots of features catch	die Aufmerksamkeit der Menschen
	people's eyes very easily.	auf sich ziehen
to be invited to build	The architects at the EXPO considered it	eingeladen werden, etwas zu
something	an honour that they were invited to build	bauen
	a pavilion.	
to win a competition	Dolores won a competition for room	einen Wettbewerb gewinnen
	design at her art university.	
to be designed by	Every building entered in the competition	von renommierten Architekten/
renowned architects	was designed by renowned architects.	Architektinnen entworfen sein
to be a challenge to stand	Every structure is so beautiful and well-	eine Herausforderung sein, sich
out	designed that it is a challenge to stand out.	abzuheben
to make the project	Repurposing a great deal of the necessary	das Projekt leistbar / erschwinglich
affordable	material from other structures made the	machen
	building project affordable.	
to have half of the budget	The eventual winner of the contest had	die Hälfte des Budgets der anderen
of the other nations	half of the budget of the other nations.	Nationen haben
to have a site the size of a	Each contestant had a site the size of a	einen Bauplatz von der Größe
football pitch	football pitch to work with and build their	eines Fußballfeldes haben
	structure on.	
	Mith all of the uther and a set	das Bauwerk scheint aus dem
the structure seems to	With all of its vibrant colours and soft	das baanent senent aas aem
	green interior, the structure seems to	
the structure seems to emerge from the garden that surrounds it	green interior, the structure seems to	Garten, der es umgibt, hervor- zutreten
emerge from the garden	green interior, the structure seems to emerge from the garden that surrounds it.	Garten, der es umgibt, hervor- zutreten
emerge from the garden that surrounds it	green interior, the structure seems to emerge from the garden that surrounds it. Optical illusions are created by some of	Garten, der es umgibt, hervor-
emerge from the garden that surrounds it optical illusions are created	green interior, the structure seems to emerge from the garden that surrounds it. Optical illusions are created by some of the complicated geometric patterns.	Garten, der es umgibt, hervor- zutreten optische Illusionen werden
emerge from the garden that surrounds it	green interior, the structure seems to emerge from the garden that surrounds it. Optical illusions are created by some of	Garten, der es umgibt, hervor- zutreten optische Illusionen werden erschaffen
emerge from the garden that surrounds it optical illusions are created scenic settings are created for presentations and	green interior, the structure seems to emerge from the garden that surrounds it. Speaking about skyscrapers

Speaking about skyscrapers		
the race to build higher and	Between architects, the race to build higher	der Wettlauf um immer höhere
higher has ground to a halt	and higher has ground to a halt because of	Gebäude ist zum Stillstand
	the limits of current building techniques.	gekommen
to surpass the previous	Péle wanted his building to surpass the	den bisherigen Rekordhalter/die
record holder	previous record holder for the world's	bisherige Rekordhalterin über-
	widest one-room structure.	treffen
to stretch to new heights	Vance's architecture firm developed a	neue Höhen erreichen
	type of foundation that now allows new	
	buildings to stretch to new heights.	
to prevent swaying and	Certain structural supports are always	Schwanken und strukturelle
structural damage	necessary and prevent swaying and	Schäden verhindern
	structural damage.	
to bear the load(s)	Jeha always checks and makes sure the	die Last(en) tragen
	foundation is strong enough to bear the	
	load(s) that will be placed on it.	
to minimise wind forces	Trees and vegetation planted around	die Windkräfte minimieren
	buildings minimises wind forces.	
to create space in dense	Utilising rooftop space for public gardens	Platz in dichten Städten schaffen
cities	is one way to create space in dense cities.	
to reduce urban sprawl	More efficiently constructed city housing	die Urbanisierung / Ausuferung des
·	can reduce urban sprawl.	Ballungsraums / Zersiedelung
		verringern
better preservation of	Better preservation of natural areas in a	bessere Erhaltung / besserer
natural areas in a city	city leads to better air quality and	Schutz von Naturräumen in einer
	increased health for a city's citizens.	Stadt
to support affordable living	More and more cities support affordable	erschwingliches Wohnen
	living projects to encourage students and	unterstützen
	young families to move there.	
to provide a good view for	Public green spaces or bodies of water in a	den Bewohnern/Bewohnerinnen
people living there	city provide a good view for people living	eine gute Aussicht bieten
	there.	
to solve the problem of	Large-scale apartment complexes are	das Problem der Wohnungs-
housing shortages	often built to solve the problem of housing	knappheit / Wohnungsnot lösen
	shortages.	
to reduce the chance of	Living in a large block of apartments	die Möglichkeit von Begegnungen
encounters with others	reduces the chance of encounters with	mit anderen Bewohnern/Bewoh-
living there	others living there.	nerinnen reduzieren
possible risk of isolation for	My aunt's building is so large, I think there	die mögliche Gefahr der
people living there	is a possible risk of isolation for people	Vereinsamung / Isolation für die
	living there, especially if they don't have	dort lebenden Menschen
	frequent visitors.	
to destroy the view from	Skyscrapers destroy the view from shorter	die Aussicht von niedrigeren
shorter buildings	buildings and can also block sunlight from	Gebäuden zerstören
	reaching other areas.	
the size of the building	Especially in the case of a large-scale office	die Größe des Gebäudes erschwert
makes it difficult to	complex, the size of the building makes it	es, Personen zu evakuieren
evacuate people	difficult to evacuate people in the event of	
	an emergency.	
the construction requires	The construction of enormous buildings	die Konstruktion erfordert
extra costs to carry the wind	like Toronto's Sky Needle requires extra	zusätzliche Kosten, um die
loads	costs to carry the wind loads.	Windlasten zu tragen
to have higher operational	Tall structures have higher operational	höhere Betriebskosten (für
costs (for elevators,	costs for things like window cleaning,	Aufzüge, Wartung usw.) haben
maintenance, etc.)	elevators, maintenance, etc.	

Speaking about green building	Speaking about green buildings		
to reduce the negative	It's important to choose the building	die negativen Auswirkungen auf	
impact on the environment	materials that reduce the negative impact	die Umwelt reduzieren	
	on the environment.		
to harmonise with the local	The design of the new building was care-	sich an das lokale Klima und die	
climate and the surrounding	fully crafted to harmonise with the local	Umgebung anpassen	
environment	climate and the surrounding environment.		
to improve the quality of	Indoor bathrooms improved the quality of	die Lebensqualität der Menschen	
human life	human life when indoor plumbing became	verbessern	
	possible.		
to make efficient use of	The goal of the building project was to	Ressourcen effizient nutzen	
resources	make efficient use of resources.		
to have significant	Utilising solar radiation from the glass	erhebliche Betriebskosten-	
operational savings	panels installed in the roof allowed the	einsparungen ergeben	
	building to have significant operational		
	savings regarding heating costs.		
to use building materials that are non-toxic and	The company is committed to using	ungiftige und nachhaltige	
sustainable	building materials that are non-toxic and	Baumaterialien verwenden	
sustainable	sustainable, which not only benefits the environment but also improves the health		
	and well-being of its workers.		
Speaking about the downsid			
	1	die Ofleweren eind wicht vieltig	
the plants are not installed	It's relatively easy to tell if the plants	die Pflanzen sind nicht richtig	
properly	aren't installed properly because they will start to turn brown and lose their leaves.	angebracht	
the plants drip and are	The plants from Caro's upstairs neighbour's	die Pflanzen tropfen und	
dirtying the balcony	window drip and are dirtying the balcony	verschmutzen den Balkon	
un tying the bacony	below.	Verschindtzen den Baikon	
the vertical garden requires	Multiple full-time gardeners are employed	der vertikale Garten benötigt sehr	
a lot of maintenance	at the building, because the vertical	viel Instandhaltung	
	garden requires a lot of maintenance.		
moisture damages the walls	It's important to have proper ventilation,	Feuchtigkeit beschädigt die Wände	
	as moisture damages the walls very quickly		
	if it can't escape.		
the plants stain and dis-	Beth wanted to change some things around	die Pflanzen beschmutzen und	
colour the wooden floor	in her apartment because the plants stain	verfärben die Holzbodenfliesen	
tiles	and discolour the wooden floor tiles when		
	they're kept in the kitchen.		
the plants cast too much of	Some of the plants in Bill's living room cast	die Pflanzen werfen zu viel	
a shadow	too much of a shadow on the small cactus	Schatten	
	on the coffee table, so he had to move		
	them.		
the water pipes are leaking	The floor seems wet, so we should	die Wasserleitungen sind undicht	
	probably check to see if the water pipes		
to pouco high maintains	are leaking.	hoho Instandhalturashartar /	
to cause high maintenance	Too many plants in a small space can	hohe Instandhaltungskosten /	
costs to hire a professional	cause high maintenance costs. For large green spaces, companies	Wartungskosten verursachen einen professionellen Gärtner/eine	
gardener	generally hire a professional gardener.	professionelle Gärtnerin beauftragen	
to inspect the property	The company sent an employee over to	den Gebäudeschaden / Sach-	
damage	inspect the property damage from the	schaden / die Sachbeschädigung	
uunube	leak immediately.	begutachten	
to repair the damage	Gus hopes that it wouldn't cost very much	den entstandenen Schaden	
caused	to repair the damage caused.	reparieren
